INVITATIONAL ALERT!! YOU CAN STILL MAKE A DIFFERENCE!!

The Patient Care and Affordable Care Act first deadline for coverage led to over 1 million people/families signing up to healthcare coverage by Dec 23, 2013. There is still time to ENROLL prior to March 31, 2014.

What can you do?

Begin by participating in the January 7th AME National ACA WEBINAR to learn how you can take leadership in finding ways to educate in your church and community. Learn about RESOURCES your church may receive to fund enrollment activities, receive INFORMATION that can be downloaded and used to EDUCATE others, and become a part of the AME NETWORK that will keep you current about the ACA. Finally, obtain ENROLLMENT information for YOU, your family and your circle of influence.

Organize a VIEWING SESSION or COMMUNITY MEETING at your church (in homes or centers) if you know that many don't have computer access or are unfamiliar with webinars. INVITE other churches and groups to partner with you and INVITE as many as you can accommodate to attend. Copy any materials and provide the information on Sunday, January 5th for review so that questions can be answered during the webinar.

Feb. 15th for coverage to begin on March 1st

March 31st for coverage to begin on May 1st (this gap is due to how

insurance plans implement coverage)

We urge you to become involved in Outreach, Education, and Enrollment in your Episcopal District and community.
