

Dear Friends and Family:

I trust and pray that all is well with each of you. It has been a while but as with years past, I am working on a project to benefit our community. It is both my passion and my pleasure to use my time and talent to serve. This past year, I have presented a number of STEM workshops, I have walked for the cure, served on discussion panels, chaperoned youth on college tours, provided computer training, cleaned up, sat in, donated audio products and my professional services whenever I have been called upon. Today, I am counting on you to support me in my attempt to raise \$1000 for my local chapter's Programs and Scholarships. It's a small goal if we can each do a little bit.

I know because each year since 2004, XAO has awarded

scholarships to deserving college bound high school students. We have done this by pooling our resources. With the ever increasing cost of higher education, the ladies of XAO have solidified our commitment and stand united in our mission to eliminate barriers to higher education. Will you support me in supporting this mission?

To purchase tickets online follow this link: [Purchase Ticket](#)

If you are unable to attend, please consider making a donation. All donations are tax deductible to the extent that the law allows: [Make a Tax Deductible Donation.](#)

If you are unable to make a donation, please consider helping us spread the word by "liking" us on Facebook or sharing our event on your social media pages.

Remember no amount is too small. If you have any questions, please do not hesitate to reach out to me by email or phone. I thank you in advance for your support.

Kind Regards,

Tony
