

Smokie Norful - How I Got Over... Songs That Carried Us

How I Got Over - Songs That Carried Us is pure Sunday morning church songs performed by some of today's most talented, sought after vocalists. An inspiration from Gold selling, Grammy award winning Smokie Norful, How I Got Over is a tribute to songs, songs that have carried the church, and more importantly, people in the church down through the years through life's experiences. To get the true Sunday morning worship feel How I Got Over was recorded live in Tulsa, OK at the A.M.E.'s 12th District Conference and each instantly recognizable song is backed by the 12th District AME Church Choir.
